

## 1 Basic Details

## 2 Entry &amp; Rules

## 3 Your Data

## 4 Documentation

## 5 Preview

## 6 Overview

## Let's get started.

This wizard guides you through assembly of your competition. Fear not, none of this material will go live until you request for a Kaggle admin to launch the competition.

### Competition Details

Competition Name \*

name

<https://inclass.kaggle.com/c/> name

Choose a short URL. All links to your competition pages will start with this URL.

Your Organization's Name \*

ryantest

Brief Description \*

This is a short, snappy statement describing what your competition is about. Be direct! e.g. "Determine whether an email contains spam"

This is the competition subtitle.

Preferred Competition Deadline

2017-05-12 11:59:00 PM

Competitions typically last two to four months. Date and time are in Coordinated Universal Time (UTC).

☐ I am willing for Kaggle to reuse my data and competition info.

Unless you specify otherwise, Kaggle may reuse the data and other information about your competition for Kaggle's business purposes. Uncheck this box if you are not willing to have Kaggle reuse your data and other competition information.
